MISSIONS PROJECTS

Every year our Women's Ministries is involved in helping to raise money to help support various missionary projects. Whether it is helping to provide Fire Bibles, Single Moms' Retreats, or clean water to the peoples of El Salvador our desire is to raise money to help others hear about the Gospel on a "glocal" (global & local) level.

BENEVOLENCE

An opportunity to reach out to others through a ministry that provides: meals to the sick, visits and prayers for them; is notified when a new baby is born in order to provide meals, if needed, and a gift basket on behalf of our women's group; assistance for memorial services.

PRAYER & BIBLE STUDIES

Join Us!

Our goal is to establish various prayer & praise groups located in each of the surrounding cities of our valley as well as Bible Studies of various topics throughout the year. We invite you to join us as we draw nearer to the Lord and build relationships with one another.
